

TYPOGRAPHY

The Eastland-Fairfield Career & Technical Schools type is based on an extensive font family called Raleway which is designed specifically for use in athletic branding. It comes in a wide array of weights and variations from condensed to extended. All of them are useful for headlines, advertising, spirit wear and other useful applications.

NEVER attempt to typeset or recreate the logo type. It is custom designed and must be used from this artwork kit.

Raleway is available for purchase at www.fonts.google.com
